Cambodia Agricultural Sector Diversification Project (CASDP)
IDA Credit No.6366-KH

SPECIFIC PROCUREMENT NOTICE

1). National Senior Operations Consultant (MAFF-CS-13-R)

2). National Senior Monitoring and Evaluation (M&E) Consultant (MAFF-CS-14-R)

1. The Royal Government of Cambodia has dedicated an investment of US\$101.67 million, including a US\$91.67 million IDA credit, for the Cambodia Agricultural Sector Diversification Project (CASDP), which has been implemented for a duration of 6 years starting in January 2019. CASDP is designed to enhance market opportunities through an inclusive, beneficiary-led, market-driven approach, leading to enhanced competitiveness and increased capacity to manage climate risks. The project consists of four main components, plus a fifth zero-allocation component for the case of an eligible crisis or emergency. The first two components are closely linked and represent the largest part of the investments and are modular and scalable and adaptable to geographical areas and commodity/value chains. The third component focuses on institutional strengthening and seeks to enhance the impact of the investments made under the first two components in the medium and long term, ensuring sustainability and possible expansion of benefits across the country.
2. CASDP is geared towards the compilation of value chain support, including extensive technical assistance (TA), productive infrastructure, and financial support services. In particular, Component 1 emphasizes the linkages between direct support to farmers, producer organizations (POs), and small and medium agribusinesses (SMAs). Component 2 complements component 1 by concentrating on public investments in roads and irrigation infrastructure. All public infrastructure investments of Component 2 will be prioritized and implemented according to selected diversification plans (DPIs) to be prepared under Component 1, applying new civil works codes that reduce vulnerability to climate risks.
3. The consultants are full-time positions that report to CASDP Project Director and day to day work with the CASDP Project Manager and all project teams, relevant government officials, the World Bank, private sectors and other relevant non-governmental organizations (NGOs) partners. The consultants will be responsible for providing high quality and timely inputs to project implementation, including ensuring that the project maintains its strategic vision and that its activities result in the achievement of its intended outputs in a cost effective and timely manner.
4. The interested consultants will be evaluated based on the qualification and relevant experience of each consultant in regard to the minimum criteria listed below:
